### **Message from the Guest Editors**

Dear Colleagues,

This Special Issue of *Heritage* encourages the submission of contributions presented at the 7<sup>th</sup> YOCOCU (Youth in Conservation and Cultural Heritage) Conference in Tbilisi, on 19<sup>th</sup>–23<sup>rd</sup> May 2020: "Hands on Heritage: Experiencing, Conservation, Mastering Management". This edition is devoted to experiences in learning and working on real-life scenarios in the realm of the conservation and management of cultural heritage.

Therefore, research articles addressing the following (not exhaustive) list of topics are welcomed:

- Archaeological heritage between conservation and management
- New strategies in conservation and valorization of archaeological sites and buildings
- Archaeological research and cultural landscape
- Architectural restoration and conservation: approaches and case studies
- Public archaeology
- Remote sensing for archaeology and cultural heritage management
- Natural risk assessment for the protection of cultural heritage and landscape
- Remote and in-situ sensing technologies for the conservation and interpretation of monuments
